

LITTLE ROCK CENTRAL HIGH SCHOOL CLASS OF 1960 - 50th REUNION OCTOBER 8 - 9, 2010

OUR 50th REUNION!

The Reunion Committee is excited about this milestone event and we look forward to this special gathering. There will be time to visit and share with each other as we begin Friday evening and continue with activities on Saturday.

We have so many memories, and different memories, as we come to celebrate fifty years. All of us experienced that first high school year as history was unfolding in ways maybe none of us comprehended. All of us experienced the second, junior year, with our high school closed, as we scattered to other locations. All of us who were able to return in the fall of 1959 are the seniors who reopened Central as students and helped recapture the traditions and high standards we had inherited as sophomores.

So we urge everyone to come and join in this celebration of fifty years. Classmates who did not rejoin us for the senior year are part of us and we hope you will come. Classmates who have mixed feelings about high school in general or the particular challenges that we faced, we hope you will come. Classmates who have come to some or most reunions and classmates who have not yet made a reunion, we hope that you will come.

Join in this 50th reunion to reconnect and to share, to remember those in our class who have died, to visit LRCHS again on Saturday at noon, and to sense again that special legacy as persons who are part of Little Rock Central High.

Best Regards,

The Reunion Committee
