

**LITTLE ROCK CENTRAL HIGH SCHOOL
CLASS OF 1960
REUNION — OCTOBER 21-22, 2005**

We're planning another really great reunion. Mail your reservation and directory information in as soon as you can. Visit our new website – www.LRCHS1960.org

We don't know if we can beat **FRIDAY NIGHT** five years ago, but we are sure gonna try! We will all gather at "Cothams In The City" restaurant at 3rd and Victory Streets. Come on out at 6:30 to visit, there's a Fish & Chicken Buffet serving at 7:30, with tea, lemonade and a cash bar. You know there will be 50's music in the background. We're planning to have a video made of Friday and Saturday nights, which you can order that weekend for \$35. We will have a "Photo Road Show" on a computer screen of previous reunions and individual photos sent in, so please send a photo of you and your family. We will have the photographer on Saturday at Central for all the great group shots.

Saturday Morning get up **early** and **play a Round of Golf**; it doesn't matter what your handicap is, the fun you're gonna have is what matters! Also on the agenda, a **tour of the Clinton Library** in the downtown Market place area on President Clinton Ave. (formerly East Markham St.). Meeting in front of the library at 9:30 am to make sure we have enough time to get over to Central High by 12:30.

Saturday 12:30 come on over to Central High. We plan to have a Box Lunch in the school cafeteria, visiting with everyone and some teachers, then a tour of Central. We will finish with a Great photo session on the steps of Central.

Saturday night will be another memorable evening at the Pleasant Valley Country Club. We will all enjoy the comfortable atmosphere, with good soft chairs to set and visit before and after dinner. Our evening begins at 6:30 to renew old memories and see old friends. There will be a cash bar. At 7:30 we will have a wonderful dinner buffet. Our Music Combo will play the songs of yesterday for dancing and "being able to talk to each other" music enjoyment! We plan to call it a night around 10:30! If that's too early, I'm sure a good place to continue the night can be found.

LOST CLASSMATES – please see the attached lost list. If you know the mailing address or email address of anyone on the list, PLEASE FORWARD TO OUR WEB SITE – www.LRCHS1960.org or missing@lrchs1960.org Please do not just send phone numbers.

SINGLES — We know some of you are concerned about coming by yourself. We hope by setting up a headquarters hotel and the committee members offering to give anyone who will not have a car, a ride to any of the functions, will encourage you to come. Also, if you want to call or email later in the summer, we will probably have some reservations in.

HOTEL RESERVATIONS — We have chosen Best Western Governor's Suites in west LR for our "out of town" attendees headquarters. We were given a very good rate and we have reserved a block of rooms. \$79-84 a night for two, breakfast included for the Central High Reunion. www.bestwestern.com/Governorssuites for a virtual tour. Merrill Dr. is near Rodney Parham, which is off of I430 in west LR. Address: 1501 Merrill Dr., LR 72211. Reservations 800-422-8051, 501-224-8051. You are not obligated to stay here.

Please consider making your reservations early, there is a "Race for the Cure" on Saturday, the 22nd and there will be at least 32,000 runners!

We do hope you can make it this year! If it is just not possible, we still want to hear from you – please fill out the Questionnaires and return for our Directory and a booklet "Where We've Been, Where We Are...45 Years Later!"
